Trick or Treat!

McMullen Booth PreK-VPK

Happy Halloween! It's that time of year again. The time where our neighbors from McMullen Booth Elementary School visit Aravilla! On October 25th at 10am, we will have students ranging from PreK to VPK in Halloween costumes visiting our community. Our residents will get to sit and enjoy the show while distributing candy to all of the children.

Trick or Treat!

McMullen Booth Elementary students have been so very kind to visit our community for different occasions every year. To witness the joy our residents experience when they see young children brings pure happiness to everyone's heart. Don't miss out on this month's visit!

Halloween Door Decorating Contest

This year here at Aravilla Clearwater we will be hosting our very first door/porch decorating contest with the theme of Halloween. We are asking that all families and friends get involved and participate for this fun & exciting activity.

On October 31st, during our fall festival, we plan on announcing our winner for this year's door decorating contest. This means you have 31 days to get creative and to think outside the box! Keep in mind some residents use walkers or wheelchairs. Please do not use anything that can be a trip hazardous such as webbing or ribbon on or near the floor.

We are so excited to see what our community can think of and we hope to see you all at our Spooky Fall Festival!
